In the blank under the picture, write the one letter abbreviation for the country where you think each object came from.

England = **E**    China = **C**    Italy = **I**    Mexico = **M**    American Great Plains = **A**

As the daughter of an influential Mexican merchant, Maria Ignacia would have helped her husband, Charles Bent, understand the language, habits, diet, and cultural objects of Mexico.

## Point to Ponder

Why are some items only available from certain regions?
