

Name: _____

Graphic Organizer: Cause & Effect

Example:

First Topic: _____

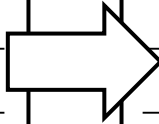

A blank graphic organizer template for cause and effect. It features two main rectangular boxes side-by-side, connected by a large white arrow with a black outline pointing from left to right. The left box is labeled "Cause: The reason WHY something happened." and contains five horizontal lines for writing. The right box is labeled "Effect: What happened." and contains five horizontal lines for writing.

Cause: The reason WHY something happened.

Effect: What happened.

Second Topic: _____

**Cause: The reason WHY
something happened.**

Effect: What happened.
