Mrs. Caroline Dorris,
Clarksville,
Tennessee.

Dear Madam:

In response to your letter relative to increase in your pension because of age, you are advised that as different papers in your case show various statements regarding your age, one indicating that you were born in 1861, another in 1858, and still another in 1851, it is necessary before the increase of \$10 per month may be allowed to you that you prove that you have attained the age of 75 years by furnishing the evidence indicated in the accompanying circular letter.

Very truly yours,

Earl D. Church
