

**What does the federal
land / water protect?**

What are the rules?

Name of Federal Land / Water

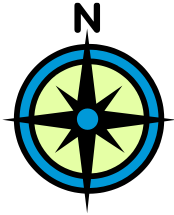

What activities can you do?

Where is it located?

*Circle the correct agency your
federal land / water belongs in.*

Draw a picture above to attract visitors.

Legend

Draw a map of your federal land/water. This could include roads, trails, campgrounds, wildlife viewing areas, historic sites, water bodies, visitor centers, picnic areas, swimming and fishing areas and any other recreation areas. Use the legend to mark the symbols you'll use in your map, for example a dotted line equals trail.
