

# Make a Raccoon Mask!

## Materials:

- Paper plate
- Scissors
- Black paint, crayon, or markers
- Tape
- Craft or popsicle stick

## Procedure:

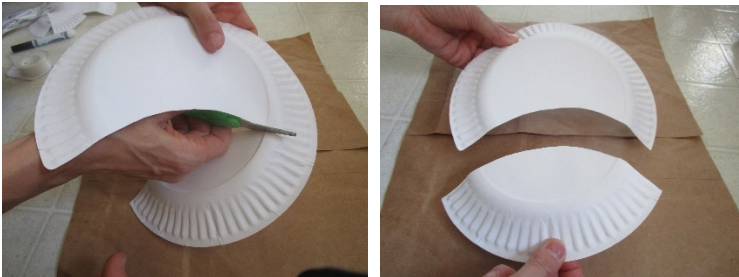

### *Step 1:*

Gather materials

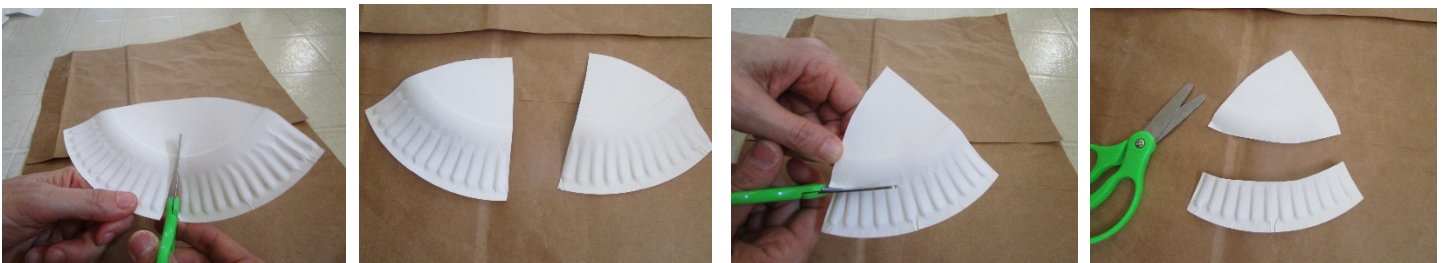

### *Step 2:*

Cut an arc out of the lower half of the plate.

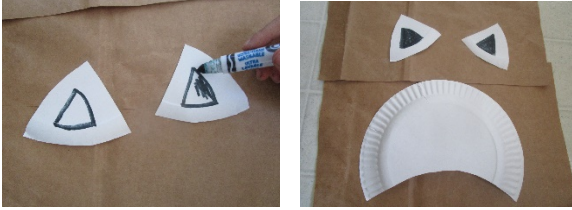

### *Step 3:*

Cut the smaller arc piece into 2 equally-sized pieces. If it's ridged at the bottom, cut that off.

### Step 4:

Draw in black triangles on the ears.

### Step 5:

Have an adult cut out eye holes, kind of close together. Color the mask in black. Add a little nose and eyebrows if you want!

### Step 6:

Use tape to attach the ears to the front of the mask and the back of the mask.

### Step 7:

Secure the stick onto the back of the mask with tape. Try it on! Smile!

Look at pictures of other animals and make more masks. Act out a play with your masks on!
