

Lyndon B. Johnson National Historical Park

Map Analysis Worksheet

Use the Map of National Parks to answer the following questions:

1) In what state do you live in? _____

2) How many National Parks are in your state? _____

3) What is the closest National Park to you?

4) Circle all the natural features shown on the map:

Mountains

Rivers

Lakes

Oceans

Other? _____

5) Are there any natural features near the place you live? What are they?

6) If you could visit any National Park in the United States, where would you go? Why?

7) The National Park Service protects over 420 national parks across the United States and this number keeps on growing! Imagine you could add one more to the list. What would be a special place you would like to turn into a National Park? What natural features would it include?
