

Dear _____ ,

It's nice to "meet" you! Your landscape is so unique. Three things that I notice about it are:

- 1.
- 2.
- 3.

Looking at your landscape makes me wonder about:

Hi _____ ,

I love geology, so I think I can help! I didn't have a lot of time, but here is my first guess of the order of your family history.

- 1.
- 2.
- 3.
- 4.

I have a couple of questions about the information that you sent. Do you know the answers?

Hi _____ !

The rangers helped out with some of my questions. Here are a couple of ideas about the order of your family history.

1. I think this event _____
goes before this event _____
because _____
_____.

2. I also think this event _____
goes before this event _____
because _____
_____.

Good luck with your project!
