## Site-Visit Registration Form

We enjoy hosting groups and we look forward to your visit. Our presentations can be tailored to particular grades, ages, abilities and subject matter. Let us show you the rich history of Hope, and learn how it influenced President Bill Clinton as a young boy.

### Site Amenities

- The Visitor Center is accessible and can accommodate 30 visitors at a time. The Birthplace Home can handle 15 people per tour plus the Ranger. The garden area between the two buildings can accommodate 100 people in favorable weather.
- There are two eight-foot picnic tables, one ten-foot bench and one bike rack available on the grounds. The lawn is maintained throughout the year. Fire ants are prevalent from March to November. Squirrels and small birds frequent the area for pecans and wild fruit-bearing trees. A rundown of the types of trees and vegetation on site is available on request.
- This facility is equipped with one restroom with one ADA-compliant stall, urinal, waste basket and one hand washing sink on the male side, and the female side has one ADA-compliant and one standard stall, waste basket and a hand washing sink. A public water fountain and bottle refill station is available on the outer wall of the restroom building.
- Parking is available in the lot behind the site on Second Street, across from Atwood's Home and Ranch Supply Store. This lot is large enough for school buses and tour buses.
- A picnic lunch and recess could be taken at Fair City Park: one mile and two minutes away by vehicle.
- A free pre-trip preview is available for the planning staff upon request.

We realize your time is valuable, so scheduling via email is anticipated and encouraged. Field trip scheduling is staffed Monday - Friday 9 am to 4 pm.
