

WHAT IS THAT GRAY HAIR- LIKE MATERIAL IN THE TREES?

Have you ever gone for a walk and looked up in a tall tree and seen hairy gray stuff blowing in the breeze? Perhaps you have looked along the path you are walking and seen it laying on the ground. What is it that you are seeing both up above and down below? Spanish Moss!

Read the essay on the next page and see if you can figure out how moss could be used for or by each one of the items represented below. Write a one sentence answer next to each picture.
