

Brookfield

Farmer

What I Can Offer:

My oxen and hay to pull Knox's sleds.

What I Worry About:

If I give them up, I may not be able to plow fields in spring. My family might not have enough food.

Brookfield

Carpenter

What I Can Offer:

I can repair broken sleds with fresh wood.

What I Worry About:

Using my winter lumber supply means less for my own barn or for my neighbors.

Brookfield

Tavern Keeper

What I Can Offer:

Food, warmth and shelter for Knox's men.

What I Worry About:

My pantry is already low, and I am worried about never being repaid for what I give Knox's men.

Framingham

Selectman

What I Can Offer:

Order townsfolk to provide barns, hay, and food for Knox's men.

What I Worry About:

Loyalist families may refuse. We're close to Boston, what if the British punish us?

Framingham

Farmer

What I Can Offer:

Fresh hay and oats for the oxen.

What I Worry About:

My own livestock could starve before spring if I give it up to Knox's oxen.

Framingham

Militia Guard

What I Can Offer:

Protect the cannon while they rest in town.

What I Worry About:

What if British scouts or loyalists try to sabotage us for helping the Patriots?

Leicester

Blacksmith

What I Can Offer:

Repair sled runners, shoe oxen, fix broken iron fittings.

What I Worry About:

Iron is scarce right now, and I may not get paid if I help these men now.

Leicester

Teamster

What I Can Offer:

Strong ox team and skill driving sledges.

What I Worry About:

The roads ahead are rough, and my oxen could get seriously injured or lost in icy conditions.

Leicester

Innkeeper

What I Can Offer:

Beds, meals, and ale for weary soldiers.

What I Worry About:

Supplies are already thin this winter.

What if I feed and house these men, but not have enough for our own?

Worcester

Tavern Keeper

What I Can Offer:

Food, warmth, and a bustling stop for news.

What I Worry About:

Knox's convoy of men could completely empty my pantry within days!

Worcester

Blacksmith

What I Can Offer:

Fix sleds, shoe oxen, and repair wagon ironwork.

What I Worry About:

Iron is expensive, and my townsfolk also need me!

Worcester

Town Leader

What I Can Offer:

Organize supplies, order militia to help, assign lodging.

What I Worry About:

Helping openly could make Worcester a British target.

Marlborough

Selectman

What I Can Offer:

Decide how much hay, food, and lodging to give to the convoy.

What I Worry About:

Loyalists in town may resist, but the Patriots demand action. This could split the town into two.

Marlborough

Farmer

What I Can Offer:

Hay, oats, salted pork from my farm.

What I Worry About:

Winter is long, and my family needs this food, too.

Marlborough

Blacksmith

What I Can Offer:

Repair ox shoes, fix broken sledges

What I Worry About:

I am already so behind on work for neighbors, and supplies are running low as is during the winter season.
