

Name	Type	Native/ Invasive	What Eats me	What I Eat
bald eagle	bird	N	scavengers	dead or wounded fish, birds, mammals
coho salmon	fish	non-native, but not invasive	humans, sea lamprey, other large fish	small fish, alewives
common loon	bird	N	large fish, gulls, bald eagles	smaller fish, crayfish, frogs, snails, leeches
coyote	mammal	N	cougars, hunted by humans, sometimes die from disease	pipin plover, small mammals, insects, fruit, dead animals and dead fish
crayfish	crustacean	N	walleye, common loon	plants, insects, small fish
diatom	phytoplankton	N	zooplankton, mollusks, fish	make my own food with sunlight
fingernail clam	mollusk	N	Lake sturgeon	phytoplankton, zooplankton, bacteria
green algae	phytoplankton	N	mollusks, fish	make my own food with sunlight
herring gull	bird	N	other gulls, bald eagle	clams, small fish, birds, dead animals, small mammals, human garbage
human	mammal	N	nothing in the Great Lakes	lake trout, yellow perch, walleye, largemouth bass, lake whitefish, lake sturgeon, Coho salmon
lake sturgeon	fish	N	humans	Insects, scud, rusty crayfish, fingernail clams, zebra mussels
lake trout	fish	N	humans, sea lamprey	Smaller fish, insects, crustaceans, plankton, small birds and mammals
lake whitefish	fish	N	humans, lake trout, walleye	Insects, smaller fish
largemouth bass	fish	N	humans, other large fish	walleye, other small fish, cray fish, insects
pipin plover	endangered bird	N	coyotes, dogs, cats, crows	insects, crustaceans, mollusks

rainbow smelt	fish	N	Large rainbow smelt, Coho salmon, walleye, lake trout	Small rainbow smelt, scud, zooplankton
scud	crustacean	N	insects, shore birds, rainbow smelt	algae, dead plants/animals
walleye	fish	N	Humans, largemouth bass	Yellow perch, insects, crayfish
water strider	insect	N	birds, fish, other insects	insects, plants
yellow perch	fish	N	Humans, alewife	Plankton, worms, smaller fish
zooplankton	zooplankton	N	fish, insects	phytoplankton, algae, bacteria, dead plants/animals

Name	Type	Native/ Invasive	What Eats me	What I Eat
alewife	fish	I	lake trout, Coho salmon	phytoplankton, zooplankton, small crustaceans
round goby	fish	I	largemouth bass, walleye	small fish, zebra mussels
rusty crayfish	crustacean	I	some fish, birds	plants, insects, small fish
sea lamprey	parasitic fish	I	nothing in the Great Lakes	Lake trout, Coho salmon, other fish
spiny water flea	zooplankton, crustacean	I	fish	plankton
zebra mussel	mollusk	I	round goby	algae
