

(Sample)

Colonial Era

Group	Activity	Conflict	Resolution	Environmental Impact
Miners	Gold Mining	Takes away hunting land from locals	None	Fire threatens habitat, disrupts water flow of streams
Natives	Hunting	Hunted on areas desired by miners	Little resolution until passage of ANCSA	Normal population management
Whalers	Whaling, hunting for seals and walruses	Took away native food source	Whaling restrictions in 1900's	Removed food source from locals and caused other game to grow in importance
