Hey Kids!

From 7:00 - 9:00 pm, learn more about the American Revolution and the soldiers who fought it. Meet at the flagpole to do some fun and educational activities with your family.

Do you want to play ball or throw a frisbee? The designated activity area will be at the weapons firing range following the last firing demonstration.

Ask a ranger or volunteer in the visitor center about our Junior Ranger program. If you have not finished by 5:30, you may need to come back to the park to complete the battlefield activities.

Support for the children's activities is provided by the Spartanburg County Chesnee Branch Library, Cherokee County School District, Spartanburg County School District 6, and park volunteers.
