

Crater Lake

Rim Village Scavenger Hunt #1

While exploring Rim Village, how many of the items below can you find?

Wizard Island

Pine needles

A bird

Something rough

A picture of a fish

Something deep

A tree with a bent top (Mountain Hemlock)

The Sinnott Memorial Overlook

Something made of stone to help keep you safe

A Golden Mantel Ground squirrel (no strips on head)

A chipmunk (strips on head)

Something you have not seen before

Somewhere steep

Something smaller than a cell phone

The Phantom Ship

A plaque honoring Steven Mather (A similar plaque is found at most national parks)

The Crater Lake Lodge

The crater on top of Wizard Island

Phantom Ship is longer than a football field & the height of a 16-story building.

Your thoughts...

Which sense, seeing or hearing, did you use the most to do this scavenger hunt?

After exploring Crater Lake National Park, what would you like to learn about?

What do you think Crater Lake National Park will look like when you are an adult?
