### **Closure of Hillside Pedestrian Bridge over the Cuyahoga River**

*Pedestrian Bridge will be closed until further notice*

**Brecksville, Ohio** – The National Park Service (NPS) is closing the Hillside Pedestrian Bridge over Cuyahoga River until further notice. The Pedestrian Bridge is closed due to safety concerns raised by the Federal Highway Administration (FHWA). The bridge provides visitor access from Cuyahoga Valley Scenic Railroad (CVSR) to the Canal Exploration Center (CEC) and the Ohio & Erie Canal Towpath Trail. Starting Wednesday, June 17, CVSR will no longer stop at the CEC Boarding Station. No detour is provided, however, options for alternative pedestrian access are being explored.

Bike Aboard! Passengers can access the other 7 remaining Boarding Stations. Check [www.cvsr.com](http://www.cvsr.com) for train schedules.

CVNP encompasses 33,000 acres along the Cuyahoga River between Cleveland and Akron, Ohio. Managed by the National Park Service, CVNP combines cultural, historical, recreational, and natural activities in one setting.
