Countryside Conservancy Offers Evening of Market Delights *Anthe's at the Lakes Hosts Fund Raising Event for Local Non-Profit*

Peninsula, Ohio - Come graze with us!! The Countryside Conservancy is excited to hold their first fund raising event on Tuesday July 29 from 6 - 9p.m. The event will be held at Anthe's at the Lakes in the Portage Lakes area of Akron, and is themed *A Taste of the Markets Fund Grazer*. Seasonal hors d'oeuvres will be created by Anthe's Chef/Owner David Uecke featuring items available at the Countryside Farmers' Markets at Heritage Farms and Stan Hywet Hall & Gardens.

When asked why he decided to sponsor and host this fund raising event for the Conservancy, Chef Uecke stated, "I support the Conservancy because they not only support farmers through their markets, but they also support beginning as well as existing farmers through the variety of workshops and programs they conduct that help farmers become more skilled at what they do."

All proceeds from the event will support the mission of the Countryside Conservancy to provide healthy food choices by preserving farmland and supporting farmers throughout Northeast Ohio.
