

# Countryside Initiative Lease Offerings for 2015

## Schedule of Farm Tours

Two tours of the Edgar and Schmidt-Foster Farms, being offered for lease in 2015, will be conducted during July and August. The tours will be very helpful to anyone preparing a proposal to lease. National Park Service and Countryside Conservancy staff will be available to discuss the farm house, other buildings and fields, and to answer any questions you may have regarding the attached RFP. Additionally, copies of the supplemental information listed in the RFP will be available for pick up during the tour. It is recommended that all lease proposers attend a tour of the farm/s they are interested in.

Please notify CVCC staff of your intent to attend one or more of the scheduled tours. CVCC phone number to call is 330-657-2542 extension 3.

While these farm tours will be relatively informal, we will be using a generally structured sequence of information presentations and discussion. Hence, you will get the most from this opportunity by arriving at the starting time, taking the “tour”, and participating in the question and answer process.
