

# Make this paper airplane!!

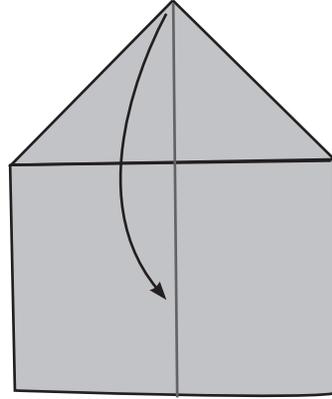

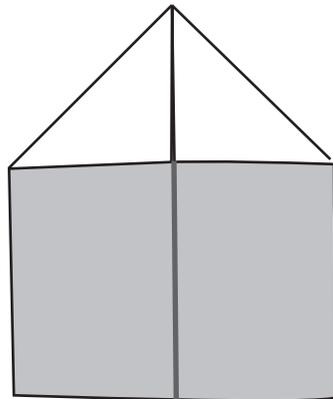

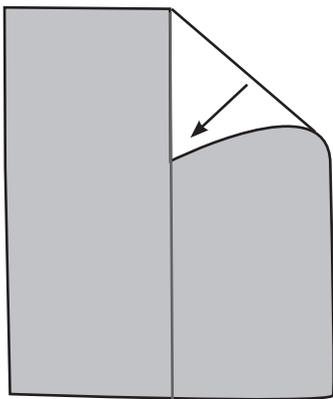

1. Fold a sheet of paper in half lengthwise.

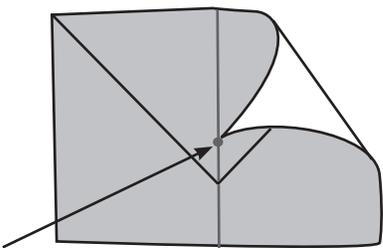

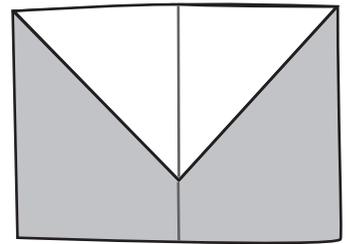

2. Unfold so that the crease in "valley" side up.

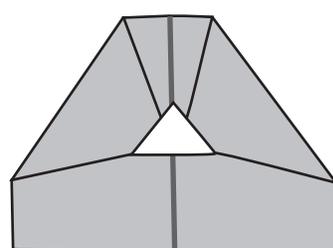

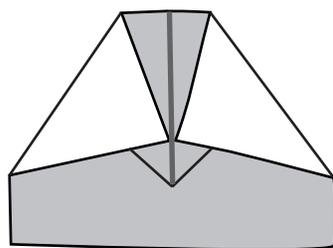

3. Fold the top corners to the center fold.

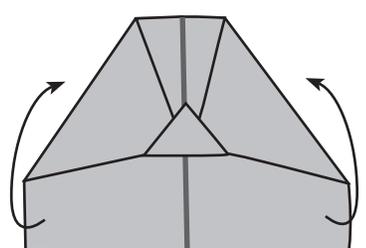

4. Fold the tip down to about an inch from the bottom on the crease.

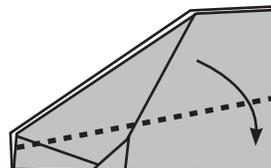

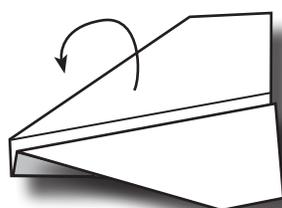

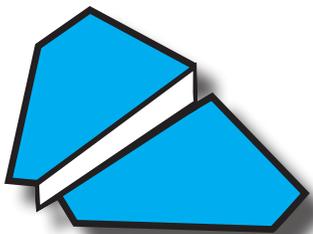

5. Fold the top corners down to the center fold just above the tip. Note the top or nose of the plane should be blunt.

6. Fold the tip up.

7. Fold back -- wing tip to wing tip.

You are almost done.

8. Fold the wings down. Trim and FLY!
