Ohio's Miami Valley is home to over 300 miles of dedicated bike trails. This extensive trail system is a great way to get outdoors and enjoy a healthy lifestyle, or commute for work and play. The network of trails connects several sites that together tell the region's aviation story.

**Hike, Run, or Bike** to at least six of the participating twelve sites located in this brochure and collect a stamp at each stop. Plan your rides using the map inside. Return the stamped portion of the form in person or by mail to the address below to claim your Klean kanteen®. Pick up a copy of the *Miami Valley Ohio Bikeways Map*, or view online at [www.miamivalleytrails.org](http://www.miamivalleytrails.org) for more information on the region's bike trails. To learn more about the Aviation Trail go to [www.aviationtrailinc.org](http://www.aviationtrailinc.org).

Follow the rules of the road on and off the bike path. Always yield to foot traffic. Wear a helmet at all times and use lights in low visibility. Take plenty of water with you and plan for changes in the weather. Look for trail signage along the way, and familiarize yourself with roads and landmarks along your route.
