

Application for waiver of entrance fees by educational and scientific groups

To complete this application (electronically or in writing), you will need:

- a.) tax identification number proving applicant is a *bona fide* academic institution
- b.) course curriculum on organization letterhead
- c.) written statement identifying the park and/or facilities that will be used to support the educational purpose of the visit

Date of application:

Arrival date in Denali:

School or organization name:

Tax identification number (ask your department clerk)

Teacher or leader name, title and address:

Phone: Best time to call? Day Eve Time zone:

Cell phone:

Email:

Total Size of group:

(Best guess if exact numbers are not confirmed).

Number of students:

Number of instructors:

Number of chaperones:

Age range of students:

On your attached curriculum or statement of intent, on official letterhead, please indicate:

- **Goals and Objectives** of visiting Denali National Park and Preserve (at least three, e.g. to understand and explain sub-arctic animal adaptations, to recognize stewardship in national parks)
- **Method and materials of learning** while in Denali National Park and Preserve (i.e. sensory, investigative, inquiry-based, journal or other written form)
- **Assessments** of student learning (i.e. journal, presentation, essay)

Agreement

I understand that the Code of Federal Regulations allows fee waivers **ONLY** for bona fide educational and/or scientific purposes by students of an accredited educational and/or scientific institution.

I hereby certify that the attached curriculum accurately reflects the group's activities while in Denali, and that the trip meets the above requirements such that entrance fees can legally be waived.

(Signature – digital is permitted)

(Title)

(Date)

Return by email or mail to:

DENA_education@nps.gov

**Denali National Park and Preserve
Attn. MSLC Education Specialists
P.O. Box 9
Denali Park, Alaska 99755**

Please return form no less than 20 days prior to the group's arrival in Denali. You will receive an email approving your application or requesting additional information within ten days of receipt.

If your waiver is granted, please bring the confirmation notice with you when you arrive. If you make campground or VTS reservations and have been charged entrance fees, you will need to bring your fee waiver confirmation with you and present it to the reservation desk at the Wilderness Access Center for a refund.

Note: Undergraduate or higher level scientific research requires a research permit. Please contact Lucy Tyrrell, Natural Resource Management Specialist for more information regarding the permit application process. 907-683-6352 or lucy_tyrrell@nps.gov).
