Suzi

The Mother of the Kennels

Most of the dogs in the kennels can trace their ancestry to an exceptional husky named Suzi. She was born in 1971 near Barrow, Alaska, and acquired by a musher living near Denali. She ran for him for five years as the *best* leader he ever had.

In 1977 Suzi joined the Park Kennels at Mount McKinley National Park, where she continued her work as a leader. Suzi's two litters of puppies became the foundation of the Park Kennels breeding stock.
