

# Death Valley National Park

COVID-19 CUA/SUP Addendum

[DEVA\\_Permits@nps.gov](mailto:DEVA_Permits@nps.gov)

PO Box 579

Death Valley, California 92328

**Company Name:**

**Permit Number:**

This form serves as an addendum to your permit issued by Death Valley National Park. Additional conditions are being added to your permit to ensure guidelines set forth by CDC, Federal, State (California) and local (Inyo County) in response to COVID-19 are adhered to.

When Death Valley N.P. resumes CUA/SUP permitted activities in line with California phased reopening, all group sizes will be restricted to no more than 10 individuals, including the trip leader. This information will replace any reference of “group size” in your original permit until such limitation is changed by above referenced agencies.

Permit holders are required to monitor employee and staff health with a daily illness/symptoms screening, prompt illness reporting, and isolation of sick individuals per CDC guidelines.

Please provide an operating plan on how your company will comply with the below regulations regarding COVID-19: (add additional pages if needed)

**Social distancing -**

**Face coverings -**

**Disinfection (personal and surfaces) -**

**Any additional precautions relevant to your unique service (ie: horseback riding, camping, bicycling) –**
