

Commercial Use Authorization Conditions for: Drive-in Campground

GENERAL INFORMATION

The following conditions apply to Commercial Use Authorizations (CUA) for Drive-in Campground:

1. Commercial use authorizations issued by Death Valley National Park are only valid for planned and approved activities within Death Valley National Park and are not transferable to other National Park Service units.
2. Groups will notify the Death Valley National Park permits office of all proposed trips and any proposed changes to trip itineraries via a **Supplemental Activity Application** submitted to the Special Park Uses Office at least 7 days prior to proposed trip. Failure to do so may result in the revocation of a commercial use authorization as well as other associated permits.
3. CUA does not imply exclusive use of any area in the Park. Drive-in Campground CUA holders may use:
Furnace Creek Campground (Group site capacities range between 9 and 40 people)
 - The maximum numbers of vehicles that can be parked at each group site is 10.
 - No recreational vehicles (trailers, motor homes or pop-ups) shall be parked at the site.
 - These sites are available through a reservation system during busy times of the year. Reservations may be made at www.recreation.gov.
 - Sites will be reserved in competition with the public.

Please contact Special Park Use Office for use of other park campgrounds.

4. Holders of a commercial use authorization will be held responsible for assuring that entry fees are paid by all participants and group leaders or guides are required to ensure that participants have paid their park entry fees.
5. Leave No Trace principles and ethics are in effect for all participants. CUA holder must provide Leave No Trace brochures to all participants. The brochure is available at: <http://Int.org/sites/default/files/PrinciplesTrifold.pdf>
6. Collecting or disturbing any animal, plant, rock or any other natural, historical or archeological feature will be prohibited.
7. Off-road travel by vehicles will be prohibited. This includes motorcycles, bicycles and four-wheel-drive vehicles. Vehicles are not permitted to park off road but may park in pre-disturbed areas along roadways and in a manner that does not prevent the flow of traffic.
8. Digging, scraping, or moving natural, historical or archeological features will be prohibited.
9. Furnishings, artifacts, and other historic objects will not be touched or moved, except by park staff. If the need to move any object is anticipated, special arrangements must be made in advance and approved by cultural resources staff.

10. Cutting of branches or removing any vegetation will be prohibited.
11. Hunting, trapping, feeding, touching, harassing, frightening or intentional disturbing wildlife will be prohibited.
12. Introducing wildlife, fish or plants, including their reproductive bodies, into the park's ecosystem will be prohibited.
13. Vehicles will be clean and free of mud and vegetation on the body and undercarriage before entering the park.
14. Viewing wildlife with artificial light will be prohibited. This includes infrared and black lights.
15. Using a mineral or metal detector in the park will be prohibited except by special permission from the Park Superintendent.
16. Attaching anything to NPS facilities, structures, rocks or vegetation will be prohibited without permission of the Park Superintendent.
17. Pets will be prohibited in wilderness areas and on any trail. Pets must be restrained on a leash which shall not exceed six feet in length, or otherwise physically confined at all times. Pets must not be left unattended in a vehicle or tied to an object.
18. All special use or commercial use activity areas will remain open to the public. Activities will not unduly interfere with other park visitors' use and enjoyment of the park, and will not block access to wayside exhibits, visitor centers, viewpoints, parking lots, or any points of interest.
19. Loud noises (exceeding 60 decibels at 50 feet in distance) will be prohibited between 10:00pm and 6:00am, and minimized at other times to protect park soundscapes.
20. Public address systems and sound amplification equipment will not be allowed unless prior permission has been requested and approved by the park's Special Use Coordinator. If approved, audio amplification may not interfere with other visitor activities.
21. Nudity in public areas will be prohibited.
22. Mylar or helium balloons will be prohibited. No release of doves, butterflies, or other living objects.
23. Stunt or high-speed driving will be prohibited. All speed limits will be obeyed.
24. Removal, moving, or obscuring park road signs, speed limit signs, or wayside signs will be prohibited.
25. Smoking will be prohibited inside buildings, on boardwalks and in vegetated areas.
26. All fire safety regulations will be complied with by the permittee, including compliance with temporary closures resulting from extreme fire conditions.
27. The following areas are closed to all entry, except when accompanied by National Park Service personnel: Copper Canyon, Devils Hole, Titus Canyon Cave, Lower Vine Ranch, American Borate Company mines near Ryan, Timbisha-Shoshone tribal areas near Texas Springs Campground, Crystal Cave, , Skidoo Stamp Mill, all mines including those without an installed closure, and any facilities or buildings used for the storage, treatment, or transmission of electricity, gas, telephone, waste disposal or domestic water.
28. The following areas are closed to backcountry camping: Titus Canyon Road, West Side Road, Wildrose Road, Aguerberry Point Road, Cottonwood Canyon Road (first 8 miles), Racetrack Road (From Teakettle Junction to Homestake Dry Camp, including the Racetrack playa), Keane Wonder Mine area and road, Mosaic Canyon and road, Grotto Canyon and road, Natural Bridge Canyon and road, Devil's Golf Course and road, Lost Burro Mine, Ubehebe Lead Mine, on the

active shifting dunes at Eureka Dunes, and anywhere on the floor of Death Valley from Ashford Mill to 2 miles north of Stovepipe Wells.

29. The permittee, in exercising the privileges granted by a permit, will be required to comply with all applicable federal, state, county, and local laws, ordinances, regulations, codes, permit requirements, and conditions as well as departmental guidelines and park regulations contained in Title 36 of the Code of Federal Regulation.
30. Camping is limited to no more than 30 days per calendar year.
31. The CUA operator must follow all campground rules including properly managing food (properly disposing of food scraps and trash) and campfires (collecting wood and kindling from natural areas is prohibited, and the CUA operator may only use designated fire pits and grates).
32. Group leaders and guides must currently be certified in First Aid/CPR for drive in camping. Certification must be on file in the Special Park Use office.
33. Group leaders will provide initial response to emergency medical incidents.
34. The CUA operator is responsible for notifying the Park of any accident that results in an injury requiring the care of a physician.
