Vehicle Test Trip Data Sheet

A Vehicle Test Trip Data Sheet is required for each test trip coming into Death Valley National Park. The following information must be completed and submitted via email (debbie_wehmeyer@nps.gov) to the Special Park Use Office at least 7 (seven) days prior to the trip.

Each test vehicle must have a copy of the fully executed permit on board. Please present a copy of your fully executed permit to the front desk at the Visitor Center in order to obtain a car testing window sticker for each vehicle. Failure to have the required documentation in each vehicle will be assessed applicable administrative fees plus per page copying costs per occurrence.
