

# Visitor Comment Form

## Death Valley National Park

This 5180 square-mile park is administered by the National Park Service on behalf of its owners, the American People. Death Valley National Park is a part of the internationally significant Mojave and Colorado Deserts Biosphere Preserve. We welcome your comments and suggestions about the park. How do you feel about its appearance, services, management, and quality of information available to visitors? Thank you for sharing your thoughts with us.
