

Utah Visitor Center Location

The temporary visitor center near Jensen, Utah, has moved to a new location during construction of a new visitor center. The location of the temporary visitor center is now on State Route 149 at 2430 S 9500 E, Jensen, Utah. Look for the big green dinosaur in front of the building.

Because access to the trailhead for the Fossil Discovery Trail is through a closed area, a free shuttle provides transportation to the trail. No access to the trailhead by private vehicle will be permitted. The shuttle will operate on the schedule listed below.

Ranger-guided programs will be offered from Memorial Day through Labor Day weekends.

For more information, contact the visitor center at (435) 781-7700.
