

Dinosaur Centennial Partner Invitation

Dinosaur National Monument turns 100 years old on October 4, 2015 and wants to include *you* in the celebration!

With your help, Dinosaur National Monument will commemorate the 100th anniversary of its establishment through a community-wide celebration from April through October of 2015. Here's your chance to share how you think Dinosaur's Centennial could be celebrated and how you might like to be involved.

The benefits of becoming a Dinosaur Centennial Partner:

- Join others who are excited to promote the understanding, enjoyment and protection of the great resources in and around Dinosaur National Monument.
- Have your event, project or other contributions included in official Dinosaur Centennial press releases and other promotional materials. The partner list on the Dinosaur Centennial webpage could include links to your organization's website if appropriate. Bring national recognition to your local event!
- Use the official Dinosaur Centennial logo to identify and market your event, project or product as part of a community-wide celebration.
- Have fun, build community spirit and share connections with other partners that will kick start a second century of stewardship.

Please fill out and return the attached form by February 14, 2015 to ensure inclusion in initial press releases and promotional efforts. Forms submitted after this deadline may still be reviewed and included in later promotional efforts.

How would you like to contribute as a Dinosaur Centennial Partner?

- I'd like to lead or participate in an event or project within Dinosaur National Monument. I recognize that I may need to obtain a volunteer agreement, special use or commercial use permit, and that all park regulations must be followed.
- I'd like to lead an event or project outside of the monument or use the Dinosaur Centennial as the theme for another community event (such as parade, exhibit, etc.).
Questions about planning or volunteering for events or projects inside or outside of the monument? Contact Sonya Popelka at (435)781-7701 or sonya_popelka@nps.gov
- I'd like to develop and/or sell a Dinosaur Centennial themed product at my business (such as commemorative food item, anniversary souvenirs, etc.) or suggest a sales item to be carried at Dinosaur National Monument. Note: The Intermountain Natural History Association holds the copyright to the official Dinosaur Centennial logo and all commercial use of the logo needs to be approved.
- I'd like to make a donation through the Intermountain Natural History Association of money or in-kind services or supplies (such as banners, anniversary cake, hotel room or meals for a guest speaker, etc.).
Questions about sales items or donations? Contact Richard Millett at (435)789-8807 or richardmillett@inhaweb.com
