Who Are We?

Knowing about our family and where we came from tells us who we are. We usually don’t ask questions or wonder about our heritage until we ourselves are older. Sometimes we wait until there is no one left. Remember, the best source of information is your family.

Classroom Activity

Go on a fact-finding mission. Interview family members and list important things about them. Use these pages to start. Add more if you need to.

Remember to ask plenty of questions.
