

Keep a copy of the permit with you at all times	Group Permit #	Date Valid:	Vehicle License:	
			State:	Plate #:

Indicate below the caves you plan to visit and your planned enter and exit times. Permit is only valid for caves designated in the permit. Groups under 25 participants may schedule 1.5 hours per cave. Groups over 25 participants may schedule 3 hours per cave.

Junction Cave	Enter:	Exit:
Xenolith Cave	Enter:	Exit:
Big Skylight Cave	Enter:	Exit:
Four Windows Cave	Enter:	Exit:
Giant Ice Cave	Enter:	Exit:

Upon completion this permit serves as verification that the group named _____ is a party of _____ adults and _____ children, and have confirmed that they have met all conditions to be authorized to enter designated caves at El Malpais National Monument.

This authorization is validated only upon signature of the permittees, and is valid only for those individuals whose signatures appear herein. The following signatures indicate that permittees have received and understand information provided by the NPS on risks which may be found in the cave(s), and agree to comply with the general conditions of the permit. Trip leader must be over the age of 18, provide personal and emergency contact information, and is willing to be and will be responsible for monitoring that all permittees comply with the permit requirements.

By signing above, I acknowledge that I have read, understand, and agree to follow all permit procedures and US Fish and Wildlife Service(USFWS) White Nose Syndrome(WNS) Decontamination Protocol.

Trip Leader Responsibilities (Must initial each box to complete application)

- 1) The cave gear for each group member is new to caving OR has been properly decontaminated AND has not been used in a WNS-affected state.
- 2) I will clean and decontaminate gear used at El Malpais National Monument before going into a cave outside the Monument.
- 3) If a member of my group is acting in an unsafe manner or is causing damage to the cave, I am responsible for correcting that person's actions. If problems persist, I will abort the trip and have the group leave the cave.

Call 9-1-1 in the event of an emergency
