

Bird Migration Walk

Sunday, October 21st, 2012

10am - Noon

Robert Moses State Park, Field 5

Join a park ranger for this slow meander ending at the Fire Island Lighthouse. Visit maritime woods, beach, swale and bay-shore habitats in search of migrating birds and discover why Fire Island is such a hotspot for birds and birdwatching. Bring binoculars, dress for the weather, and be ready for a 1½-mile walk. For more information call 631-687-4780.
