

*Free Educator's Workshop*

# Beach Dynamics 101

**Date: Saturday October 13th**

**Time: 10 am to 2 pm**

**Location: Otis Pike Wilderness Visitor Center**

Explore the wind, waves, and sand, and use Fire Island National Seashore as your outdoor classroom. Discover the forces that shape the barrier island with this hands-on workshop, designed to address NYS Learning Standards for middle and high school grades. Activities include beach profiling, mineral identification, and wind and wave measurements.

Workshop participants will receive a certificate upon completion.
