WHAT DO FRIENDS DO?

Since organizing in 2009, the Friends have undertaken projects such as sponsoring a Forum on 9/11 issues, helping with commemorative services, fundraising for the capital campaign to complete the memorial, raising awareness of the memorial, seeking grants to fund special projects at Flight 93 National Memorial, welcoming visitors to the memorial, and landscaping around the new Headquarters Building. We are working on new initiatives as we continue to honor the courage and care for the final resting place of the 40 passengers and crew of Flight 93.
