**Email:**

**CHECK WHICH COURSE YOU ARE APPLYING FOR:**

 <b>Portland State University*</b>		 <b>Washington State University – Vancouver**</b>	
	<b>Anthropology 454</b> SIX advanced undergraduate credits		<b>Anthropology 300</b> SIX undergraduate credits
	<b>Anthropology 554</b> SIX graduate credits		<b>Anthropology 500</b> SIX graduate credits

For **cost** options, contact University representatives: **Portland State University:** Douglas Wilson (360) 921-5241; \* Housing accommodations in the Portland/Vancouver area are the responsibility of the student. Upon acceptance students will be given a course reference number (CRN) to enroll in the class. Certain University fees apply. \*\* **Washington State University—Vancouver:** Steven Weber (360) 546-9734. Housing accommodations in the Portland/Vancouver area are the responsibility of the student. Upon acceptance the student will be issued the course schedule number for online registration. Monies are payable directly to WSU Accounts Receivable per University policies and procedures.

Which University will you be taking credit from (Portland State University/Washington State University Vancouver)?

What is your residence status (Resident/Nonresident)?

What is your enrollment status for this course (Undergraduate/Graduate)?

List previous courses in anthropology, including archaeology, museum studies (include university/college attended and grade received):

List previous field experience in archaeology (if any):

Briefly (one or two paragraphs) describe why you want to participate in the field school, including any benefits you expect to gain (use the back of this form if you need additional space):

Please provide the names, addresses, and telephone numbers of two references:

### **Admittance**

Students will be notified through the mailing and e-mail addresses given in this application. Applications submitted by April 5, 2013 will be reviewed and admission notification emailed by April 12, 2013. All other applications are due by May 3, 2013

### *Medical Statement*

Archaeological fieldwork is a strenuous physical activity. Please indicate if there is any past or present medical issue that might prevent you from participating in the field school or that might be a health and safety issue that the program should know about. Possible issues might include heart problems, chest pain/pressure, frequent shortness of breath, frequent dizziness, frequent fainting, high blood pressure, significantly overweight, currently pregnant, asthma/respiratory problems, diabetes/blood sugar problems, musculo-skeletal problems (including back problems), and major hospitalization/surgery within the last year. If there are issues, please consult with the Field Director and your physician to make sure that you are physically capable of taking the course. Please submit a note from your physician showing that he/she has cleared you for the field school.

List any Allergies/Anaphylaxis (include medications, foods, bites and stings):

Are you color blind?

(NOTE: colorblindness will not be factored into considerations for acceptance into the program).
