START
You plan ahead and prepare for your trip by studying the rules & maps. Move ahead 2 spaces.

2 You hike and camp on stable surfaces, such as rocks, to prevent damage to the ground. Move ahead 1 space.

3 You stop to photograph a moose and get close. It runs away. You are lucky it didn't run at you! Move back 2 spaces.

4 You didn't put your food in a bear resistant food container. A bear gets into camp and eats your food! Go back to the beginning.

6 You stop to photograph a moose and get close. It runs away. You are lucky it didn't run at you! Move back 2 spaces.

7 You pack out everything you brought in with you, including your trash and leftover food. Move ahead 2 spaces.

8 You cut down trees to build a fire. Move back 3 spaces.

9 You find caribou antlers on the trail and after examining them, you leave them just how you found them. Move ahead 1 space.

10 You hike past already made camp sites to put one in a new place. You smash grass and plants. Move back 1 space.

11 You carve your initials into a tree and damage the natural beauty. Go back 1 space.

12 You dig a "cathole" far away from camp and water to go to the bathroom. It looks like you have never been there because you pack out your toilet paper too! Move ahead 4 spaces!

13 You hike past already made camp sites to put one in a new place. You smash grass and plants. Move back 1 space.
