

FORT HANCOCK 21ST CENTURY ADVISORY COMMITTEE
Gateway National Recreation Area
January 10, 2014 Meeting

Discussion Questions

- How should the Committee / NPS proceed (e.g. request proposals for future uses of specific individual buildings or the entire Fort Hancock Historic District, take other action, etc.)?
- Of the uses proposed in the RFEI responses, which are the most valuable to Fort Hancock?
- Should the NPS further pursue a master developer for Fort Hancock? What are the benefits and limitations of a master developer?
- What steps should be taken to engage surrounding communities and the public?
- What key issues need to be addressed by the Committee?
