

Sandy Hook

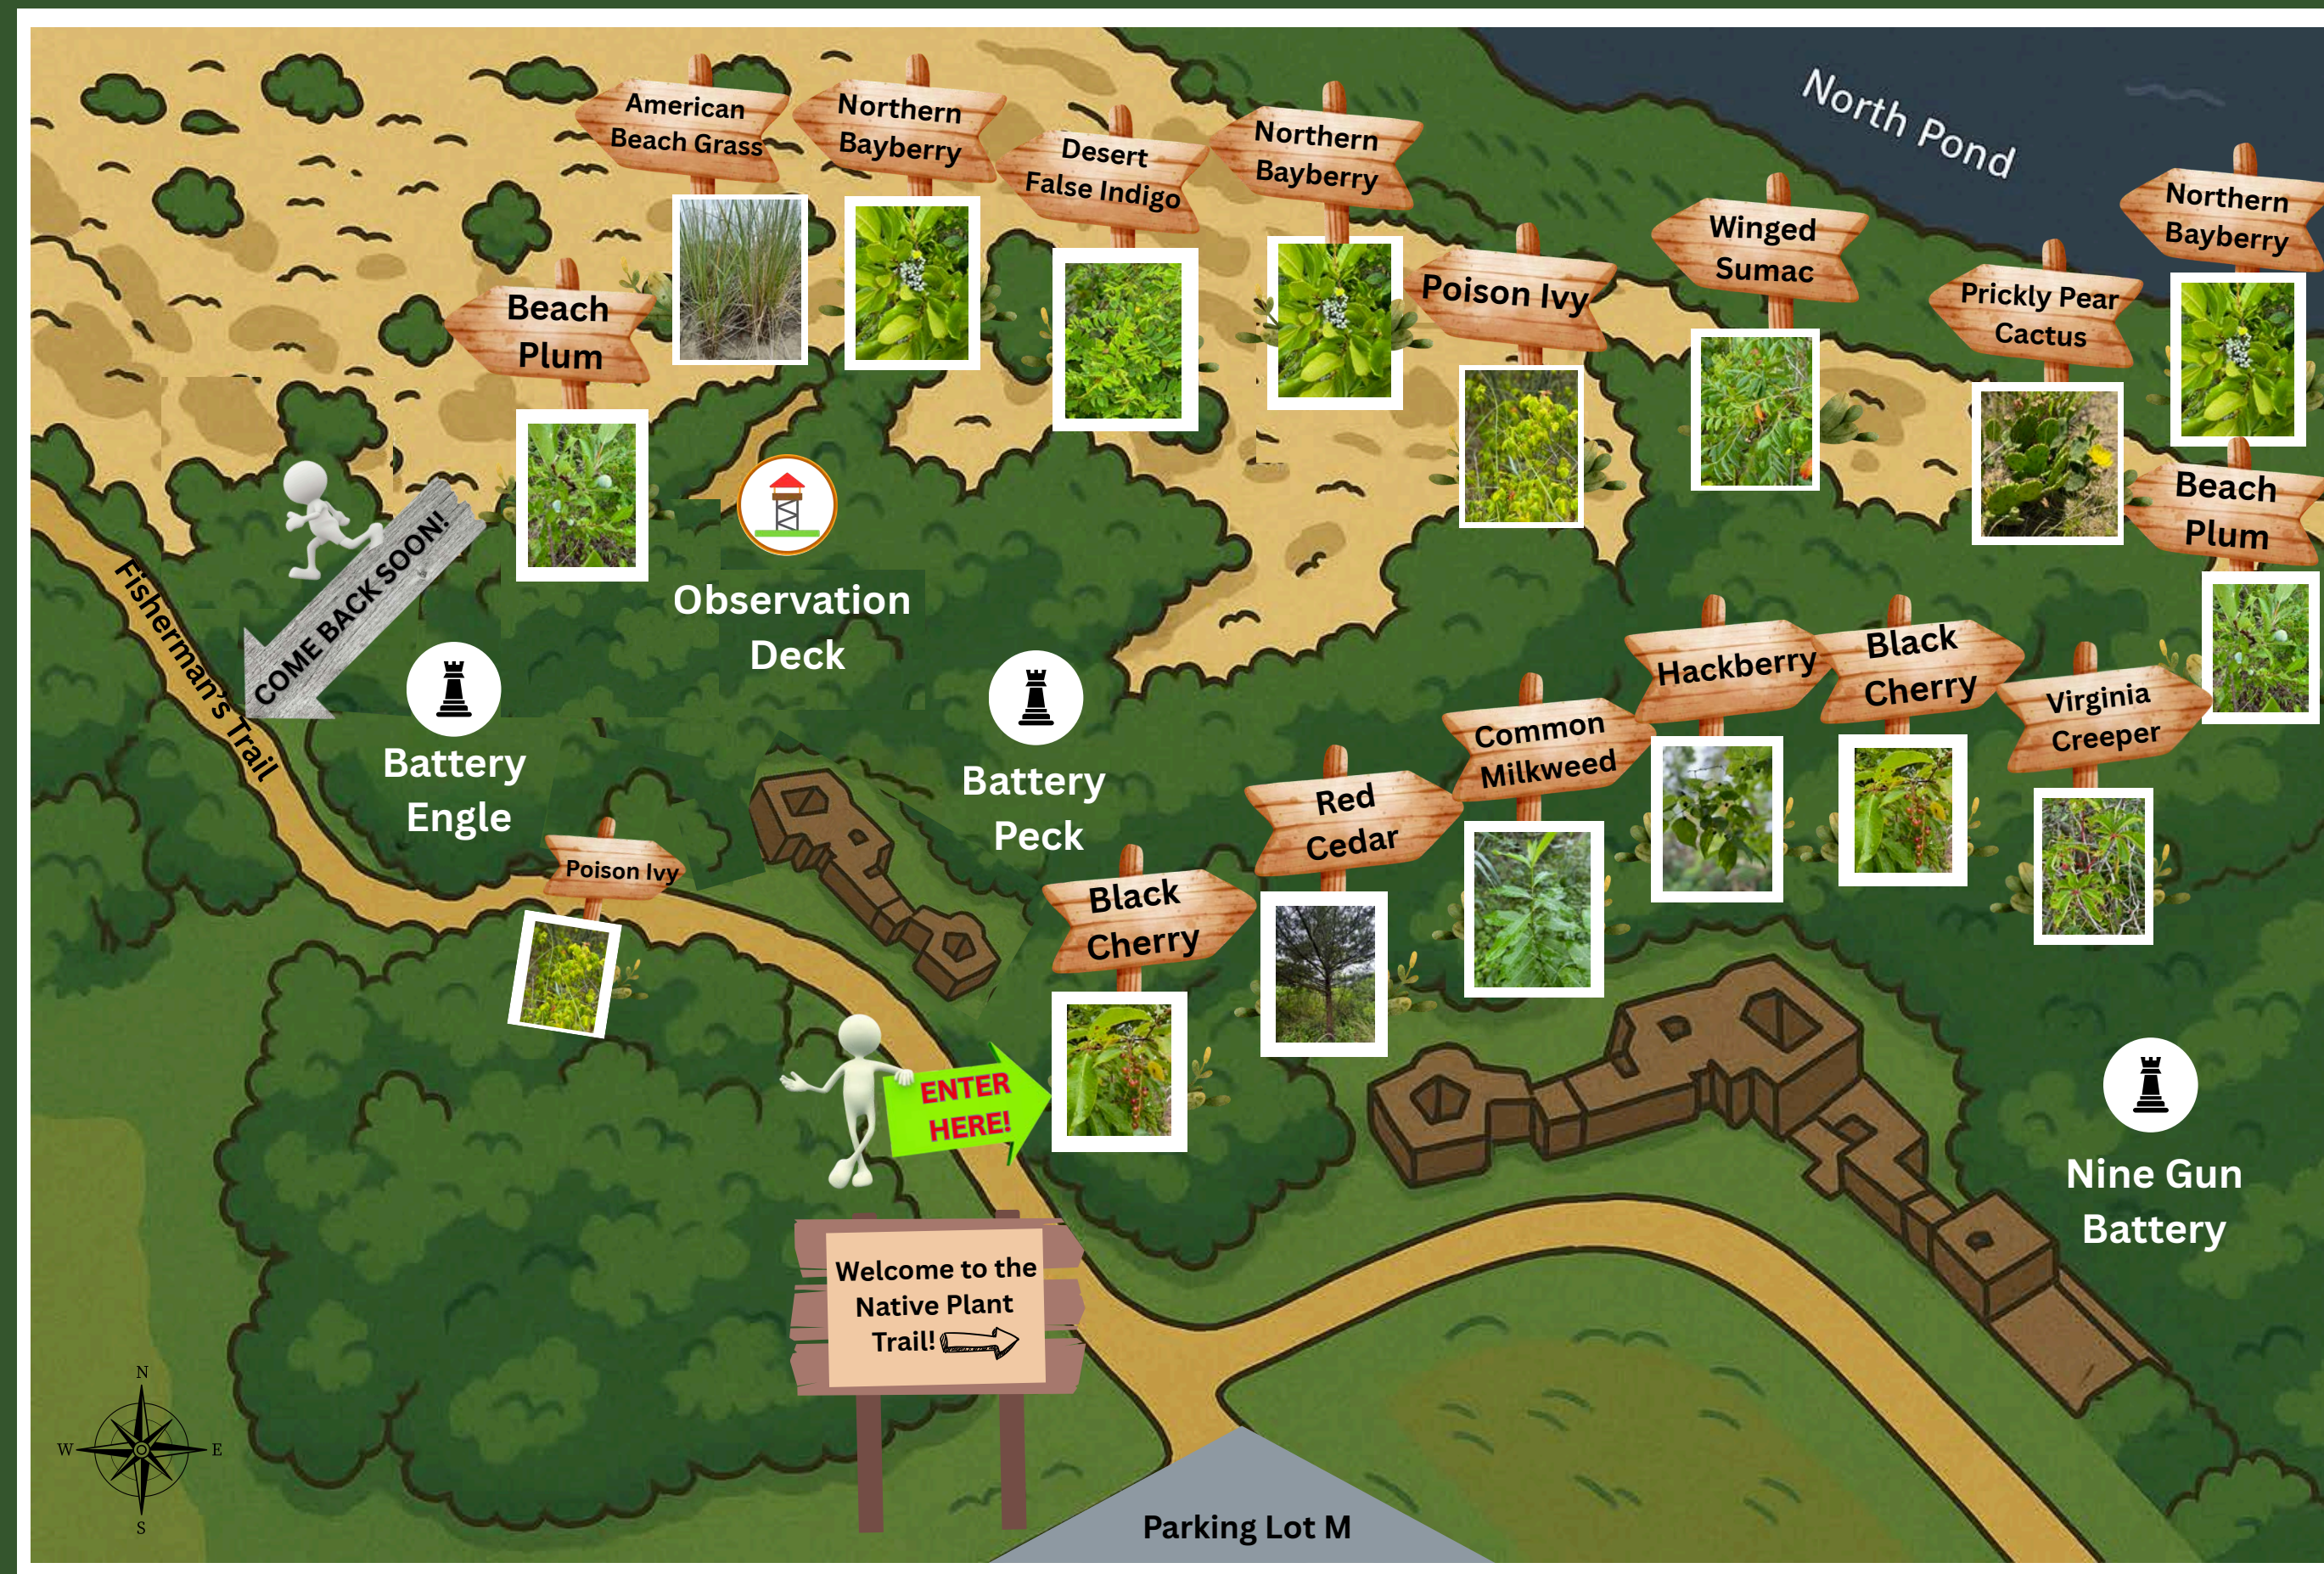

Fort Hancock and Sandy Hook Proving Ground National Historic Landmark

Gateway National Recreation Area
National Park Service
Department of the Interior

Welcome to the Native Plant Trail

Native plant signs are located along the trail with their common and Latin names. Snap the QR code to discover more about these native plant species. Enjoy walking the trail and learning how important these native plants are to the local ecosystem.

Calling all Junior Rangers!

Snap the QR code and click the virtual Treasure Hunt link. See if you can find the treasure the pirates buried here at Sandy Hook many, many, years ago!
