

State of the Bay: Past, Present and Future - Revisited

Thursday, October 20th & Friday, October 21st, 2011

The National Park Service, New York City Department of Environmental Protection and Brooklyn College are pleased to announce the State of the Bay: Past, Present and Future scientific symposium on Thursday, October 20th and guided boat tour of the bay on Friday, October 21st.

This event is one of a series of symposia anticipated to occur every few years to highlight on-going and emerging research. We invite you to join us for informative presentations on the research efforts to improve water quality and ecological habitat in Jamaica Bay and a tour to visit some of the sites.

Space is limited to the first 300 registrants. To reserve space please RSVP to jbsymposiumrsvp@dep.nyc.gov. Please indicate which days attending.

For more information please visit:
