

Patchwork Quilting

Putting the Pieces Together

On Sunday Afternoons, starting...

January 8, 2012 and every other week for four sessions; we will gather at Mont Sec House to learn the basics of quilting. Skills and techniques will start with picking fabric and end with the binding of a "Variable Star" pillow.

An outline of the process and instructions on fabric choice and tools used in quilting will be demonstrated. We will learn to cut, piece and sew the block together. The process of sandwiching and quilting will be covered; as well as finishing techniques.

Note: prior quilting experience is not required.
