

Nature in an Urban Environment: Photos by Don Riepe

Opening Sunday, April 19, 2-4 PM, Jamaica Bay Wildlife Refuge

One Cross Bay Boulevard, Howard Beach, 718-318-4340

Exhibit on view until June 19

Don Riepe, noted naturalist, photographer and retired NPS park ranger, now Director of the Northeast Chapter, American Littoral Society is actively involved in Jamaica Bay conservation and preservation movements. His exhibit tells the story of nature against the backdrop of New York City.
