

## Gettysburg National Military Park

United States Department of the Interior · National Park Service

### **Index to Library Archival Box Collection** **Library and Research Center, Gettysburg National Military Park**

---

Description: The Archival Box Collection contains manuscripts, journal articles, miscellaneous private and public papers, rare publications and manuals relative to the American Civil War, the Gettysburg Campaign and battle, army organization, personalities associated with the Battle of Gettysburg and the park history, National Park Service administration and plans, and miscellaneous collections of papers and materials that are of interest to park staff and researchers. Some of the materials in this collection have been duplicated and loaned to Gettysburg NMP from other institutions and copyright restrictions may prevent duplication of specific items. This collection is accessible to researchers by appointment only.

---

*Box Number, Title and Contents:*
