

A Special Invitation to a Special 4-H Club

GEORGE WASHINGTON

In cooperation with the National Park Service and the Virginia Cooperative Extension Service, George Washington Birthplace National Monument is starting a new 4-H Heritage Club to foster appreciation of the rich cultural heritage of King George, Westmoreland, Richmond, Northumberland and Lancaster Counties by the youth who live here and the adults who volunteer to be club leaders.

Members will have an opportunity to:

- Learn a variety of self selected skills such as blacksmithing, hearth cooking, spinning and weaving.
 - Perform costumed living history presentations.
 - Assist with the raising of heritage livestock and learn Colonial farming techniques.
 - Submit projects to fairs and 4H competitions.
 - Participate in local, Virginia and National History Day competitions.
 - Travel to other historic sites for training.
- And, most importantly,
- Form a community to advance the appreciation of the contributions that the Northern Neck has made to American history.
