- Hosting and Archiving
  - Executive Lead: Joe Klimavicz, DoC
  - Co Chairs: Doug Binnie, Kent Williams
- Partnership Strategy
  - Executive Lead: Molly O'Neill, EPA
  - Co Chairs: Vicki Lucas, Mike (Zeke) Lee
- Guidance and Direction
  - Executive Lead: Rebecca Ferguson, OMB
  - Chairs: John Mahoney
- Communication Strategy
  - Executive Lead: Chuck Gay, NASA
  - Pat Phillips

# General Status

- Work Groups operating in tandem
- 2-Part Plan to be completed before end of calendar year
  - Outcome 1: “Re-scope” of NAIP and Hi-Res/ Urban Area Imagery Program
  - Outcome 2: Develop Implementation Plan that meets “broad requirements of Federal, State and local imagery needs”
- September 23 Champions and Chairs Meeting – Discussion focused on preliminary results of survey, progress and timeline. Detailed outline to be completed early October

# General Status

- TPWG – survey analysis, crosswalk with CRSSP data, “rescoping” of hi-res program, begin work on report outline, governance strategy
- Funding group – trying to gather Fed. imagery expenditures, compiling known and estimated costs
- Partnership group – USDA/DOI NAIP funding agreement, document partnership agreement practices/vehicles, potential role of private sector

# General Status

- Communication Strategy – website under development, fact sheet in draft, to develop outreach plan
- Guidance and Direction - TBD
- Contracting – Geoff's presentation
- Hosting and Archiving – Kent/Doug presentation

# Federal Requirements Survey

- Attempt to capture Federal imagery requirements
- Validate IFTN Concept from Federal perspective
- Survey was open Sept. 5 - Oct. 3, 2008
- Announced via FGDC SAOGIs, FGDC Coordination Council, Team Members and other sources
- Report to be distributed to Working Groups and FGDC ExCom

# View and analyze the results yourself
