

Glacier National Park Education Program Travel Grant Application

The Glacier National Park Education program will award travel grants each school year. The grants will be awarded on a first-come, first-served basis until funds have been depleted for the year's grant cycle. This money has been made possible through generous donations to the Glacier National Park Fund from the Plum Creek Foundation and Montana-Dakota Utilities. In order to be eligible for a grant, schools must be scheduled for one of our ranger-led, curriculum-based programs or for a service learning project with the native plant program.

Guidelines:

- Travel grants are to cover school bus transportation costs only.
- Schools must have a scheduled program with a ranger or the native plant program in order to qualify for the travel grant.
- Schools submitting travel grant applications will be notified in writing as soon as possible of the status of their request.
- The money is sent after the scheduled program has been completed. A check from the Glacier National Park Fund will be mailed directly to the school address listed in the application.
- One school can apply for more than one travel grant but additional applications must be for different grades/classes. It is often handled on a case by case basis. Multiple grants per school get a reduced grant rate to allow for more schools to participate in the grant program.

Questions may be addressed to Laura Law at 406-888-5837. Please submit your application either by fax at (406-888-7886), email: laura_law@nps.gov, or mail: Laura Law, Glacier National Park, P.O. Box 128, West Glacier, MT 59936.
