

Dear Parents / Guardians,

On _____ our classes will be taking a winter field trip to Glacier National Park. This field trip is part of our science curriculum. We will be snowshoeing in the park and will be outside in the snow for much of the day. We will be guided by knowledgeable and experienced Glacier National Park Naturalists who will not only lead our snowshoe hike but teach us about winter ecology and how plants and animals survive winter.

Students must be prepared with:

- **Sturdy winter boots**
- **Warm Layers:**
 - **A warm hat**
 - **Mittens or gloves**
 - **Scarf**
 - **A winter coat**
 - **An extra warm sweater or warm layer**
 - **Snow pants or ski pants**
 - **Long underwear**
- **Lunch (Please pack drinks with re-sealable lids.)**
- **Water**
- **Any medication needed (including inhalers) – labeled and with a note from parent or guardian.**

If you have questions about our field trip, or if you are interested in joining us, please call. We are limited in the number of chaperones allowed for our group.

Best regards,
