NATIONAL PARK SERVICE  
Glacier National Park  
West Glacier, Montana 59936

Thank you for your interest in obtaining a Commercial Use Authorization (CUA) to conduct commercial visitor services in Glacier National Park during the 2015 summer season. A recent change in federal law will affect all National park Service CUAs in 2015. As the forms for Glacier National Park 2015 CUAs have already been finalized and distributed to many CUA holders for the 2015 season, we are issuing the following addendum to Glacier’s National Park CUAs.

Please consider this letter to be notification that the Commercial Use Authorization hereby incorporates the following language, by addition of Item 13 to the *Conditions of This Authorization* section.

“13. Executive Order 13658- Establishing a Minimum Wage for Contractors, and its implementing regulations, including the applicable contract clause, are incorporated by reference into this contract as if fully set forth in this contract. The applicable contract clause is available at <https://federalregister.gov/a/2014-23533>.”

Your signature below indicates that you have received this notification and accept the additional term.
