### Special Trip Planning Considerations

**NORTH FORK CREEK CAMPING ZONE**

This area offers opportunities for solitude and higher levels of challenge and risk. In addition to designated sites, undeveloped camping is permitted although it still requires a permit. Advance reservations are not allowed for undesignated camping.

**Continental Divide Trail**

A 110-mile segment of The Continental Divide National Scenic Trail (CDT) runs through Glacier. Early and late season alternate route markers are in blue on the map. CDT through-hikers (Montana to Canada), who plan on entering Glacier at Marius Pass, should call the backcountry office at (406) 888-7837 prior to starting their trip, to obtain a backcountry permit.

**PACIFIC NORTHWEST TRAIL**

A 10-mile segment of The Pacific Northwest National Scenic Trail (PNT) runs through Glacier. PNT through-hikers (Washington to Glacier National Park), who plan on entering the park at Bowman Lake, should call the backcountry office at (406)-888-7837 prior to starting their trip, to obtain a backcountry permit.

### Additional Information

Guided trips are available through Glacier Guides. For more information and reservations visit: [GlacierGuides.com](http://GlacierGuides.com)

Swan Mountain Outfitters offers drop-camp service using stock to pack your gear into camp sites. A backcountry permit is required. For information and reservations visit: [SwanMountainOutfitters.com/glacier](http://SwanMountainOutfitters.com/glacier)

**Transportation Options**

There may be shuttle service along the Going-to-the-Sun Road in areas, however at present this decision had not been made. There are no commercial shuttles or services available in the North Fork area (Polbridge, Bowman/Kinta Lakes).

- Lone Creek Park & Resort operates a free-fuelled trailhead shuttle from Many Glacier to the St. Mary Visitor Center. For information visit: [GlacierNationalParkEdges.com](http://GlacierNationalParkEdges.com)
- Pursuit Inc. may operate a free-fuelled shuttle to locations outside the park, on the east side in the summer. For more information visit: [https://www.glacierparkparkshuttle.com/plans-your-trip/going-around.html](https://www.glacierparkparkshuttle.com/plans-your-trip/going-around.html)
