Glacier National Park

NPS / TOM GRAY

To enhance your enjoyment and assist in protecting Glacier National Park, please read and comply with all campground regulations.

Contact a park ranger or campground host if you have questions or require assistance. For emergencies call 911.

<image/>	Camping is permitted only in designated camp- grounds. Between July 1 and Labor Day, camping in Glacier National Park is limited to 14 days, either in a single	Saving your site: A paper plate strung across the entrance to your site with your name and date will show the site is taken. Remove all markings when vacating the site.
	period or combined separate periods.	Sites may not be left unattended for over 24 hours.
	Between Labor Day and June 30, camping in Glacier National Park is limited to 30 days, either in a single period or combined separate periods.	Group sites for 9–24 campers are available at Apgar, Many Glacier, St. Mary, and Two Medicine. Check with a park ranger or campground host prior to using.
	Campsite capacity is limited to eight people and two vehicles, where space is available. A maximum of two tents per site is permitted.	Utility hook-ups are not provided and connection to water, sewer, or electrical outlets is prohibited.
	Select a vacant site and pay at a registration area. Complete a fee envelope and deposit in the fee tube within 30 minutes of arrival. Retain the envelope	Check out time is 12 noon. If staying another night re-register by 11:30 am.
	receipt and clip it on your numbered site post. Pay only for the nights you plan to camp. <i>Refunds are</i> <i>not available</i> .	<i>Secure your valuables</i> out of sight in a locked vehicle.
	Animals are attracted to food and food odors. All food, lawfully taken fish, garbage, and equipment used to cook, serve, or store food must be kept
