**JULY 2019 RANGER-LED ACTIVITY GUIDE**

### Special Highlights and Activities

#### Appgar Nature Center Daily

Families visiting Glacier National Park often seek unique experiences and activities. The Appgar Nature Center, located in Apgar Village, provides exciting learning opportunities designed specifically for families, including hands-on exhibits, youth-oriented activities, and ranger-led programs.

Whether you want to touch a grizzly bear's claw, feel a wolf's pelt, held a fossil, or discover other park treasures, the Appgar Nature Center offers something special for all ages and interests. Open daily, beginning June 15, from 10 am to 4 pm.

#### Logan Pass Star Party

Tuesdays and Fridays

July 24

45 minutes

Take advantage of Glacier's unusually dark skies and join rangers and members of the Big Sky Astronomy Club to gaze through telescopes into the depths of the universe. The second star party is scheduled for July 26 at the Logan Pass Visitor Center parking lot, from 10 pm to 12 am. Admission by ticket only. Tickets ($5 per vehicle) are available at the Apgar or St. Mary Visitor Center bookstores beginning the day before the star party.

In case of inclement weather, program will be rescheduled for the following night. Check at visitor centers or the park's social media accounts for information.

#### International Peace Park Hike

Tuesdays and Fridays

Did you know that Waterton-Glacier became the world's first International Peace Park in 1937?

On Tuesdays and Fridays, join in on the long-held tradition of cooperation and goodwill on the International Peace Park Hike, co-led by Parks Canada and US Park Rangers. The hike follows the shore of Waterton Lake to the international boundary, and returns along the same trail. 8½ hours, strenuous 7.5 mile (12 km) hike. Bertha Lake Trailhead. 

Waterton Lakes National Park, Alberta, Canada

Reservations are required and can be made at the St. Mary Visitor Center in Glacier 406-732-7750 or the Waterton Lakes Visitor Information Centre in Waterton, Alberta, Canada 403-859-5133.

#### Become a Junior Ranger

The Junior Ranger Program is an enjoyable way for kids and families to learn how to keep Glacier National Park wild and beautiful.

Stop by the Apgar, St. Mary, or Logan Pass Visitor Centers, or the Appgar Nature Center, and pick up a free Junior Ranger Activity Booklet. There is a pre-reader version of the booklet for our youngest junior rangers. Children (and maybe parents too) will be challenged to complete the activities and earn an official Glacier Junior Ranger badge.

### Park Partner & Concessioner Activities

#### Glacier Institute

The Institute provides hands-on, field-based educational adventures. The classrooms are the mountain trails and vast river basins that are home to nearly 70 species of mammals. Instructors are recognized experts in their fields, published authors, wildlife biologists, college professors, naturalists, and teachers.
