Please be aware that even though your proposed campgrounds may be open, the route to those campgrounds may be impassable, due to hazardous snow or water crossings. Routes with these hazards should not be attempted without a high degree of skill in the use of a map and compass, ice axe self-arrest, and/or skill in swiftwater crossing techniques. The Ptarmigan Tunnel is closed until mid-July. Snow and water hazards are generally gone by August 1st, but water hazards can reappear suddenly after thunderstorms.
