Evening Program Descriptions

These 45-minute ranger-led programs take place at the Apgar Campground Amphitheater, Fish Creek Campground Amphitheater, and Lake McDonald Lodge.

ALL ABOARD

Come learn about the important role the Great Northern Railway played in the development of Glacier's buildings and trails.

ALL THINGS FURRY

Discover the unique adaptations of Glacier's mammals.

AVIAN AQUATIC ACROBATS

Uncover the amazing ways water birds use the streams & lakes of Glacier.

BALANCING ACT

Ponder tough choices the NPS faces in preserving natural & cultural history.

BEAVER LODGE CONNECTIONS

Explore the fascinating world of beavers.

BEING NATIVE

Discover the definition of native through the lives of fish, plants, & people in Glacier.

BLAZING TRAILS

Hear tales of men who served in the CCC & Civilian Public Service in the 30s & 40s.

BOOTLEGGERS AND ROGUE RANGERS

Meet the colorful characters of Glacier's past.

CREATURES OF THE NIGHT

Uncover what's out hunting & creeping while you're sleeping.

GLACIERS 101

Unearth the role that glaciers, both past & present, play in the landscape.

INTO THE WILD

Come learn about the unique wilderness of Glacier National Park.

IT TAKES A VILLAGE

How do tiny things, from sediment to snowflakes to human choices, impact Glacier?

JEWELS OF THE CROWN

Uncover the aquatic world found below the surface of Glacier's waters.

THE LIFE AQUATIC

Discover the interesting creatures that live in the pristine waters in Glacier.

MYSTERY PROGRAM

Join us for a program with a surprise topic

NATIONAL TREASURES

Learn about the creation, evolution, & challenges facing the National Parks.

NATIVE AMERICA SPEAKS

Explore the rich Native American culture & heritage of the area. Speakers vary.

ODD COUPLES

Explore the unexpected pairings of creatures & their habitats that make them unique.

PICTURE THIS

Take a peek into Glacier & uncover the stories that pictures have to tell.

THE POWER OF WATER

Discover how water sustains & shapes the Crown of the Continent.

RIDING THE TRAILS

Take a look back at Glacier's dude ranch days.

A SOARING SUCCESS STORY

Be inspired by the story of the bald eagle & current conservation projects.

THE SPIRIT OF GLACIER

Explore traditions of Glacier & how we're preserving this experience for the future.

SURVIVING WINTER

How do animals of Glacier make it through the months of cold & snow?

TRIPLE DIVIDE: HERITAGE & LEGACY

Gain a richer appreciation for Native American heritage through the songs & stories of Jack Gladstone.

THE WORLD OF NIGHT

Gather to hear stories & legends about the night sky & the animals who inhabit the world of darkness in Glacier National Park.
